The Premises:

Premises were fine. Easy to reach from Victoria train station. Shower facilities are fine.

The Lady:

Gabriela is sweet and her appearance matches the photos and other info on the website.

She has natural perky tits of medium size. She is quite slim and her height is medium, neither tall nor petite.

The Story:

I paid 90 pounds for sexual intercourse and CIM with oral. She was diligent and licked my balls and all along the shaft. We tried some 69. We then did some intercourse with condom and it was nice to feel and suck her tits while fucking her in various positions. She had a pleasant personality and friendly smile. We resumed oral sex and I licked her cunt in 69. She had considerable skill with her tongue and although I last a long time, I came into her mouth during 69.

It was not rushed. I would recommend her and re-visit her sometime.
