### The Premises:

Simple straight forward booking service  
with easy convenient parking nearby.

A nice place which is clearly well looked after and in better condition than most locations I have visited.

### The Lady:

A highly attractive eastern European girl who I would guess is in her late 20s and a very pretty size 8.

The best photographs are on X at the moment, they really highlight her natural youthful beauty and seductive, petite, shapely figure.

Natalia's natural good looks and radiant charm barely disguised her underlying allure and naughty nature.

I have rarely come across anyone who seemed to appreciate being teased and pleased so much.

### The Story:

I have had so many liaisons of this nature over the years, the majority of which have been positive, and with so many lovely ladies, but this is the first time I have felt compelled to write a review about an encounter.

This was by far the most genuine and erotic girlfriend experience I have ever had.

Natalia walked into the room smiling warmly and wearing luxury designer lingerie which really complimented her irresistible body, which looked sensational, I almost felt sorry when it was time to take it off. She looked really vivacious, with big mesmerising eyes and an enigmatic smile which was combined with minimal, chic make up and hair on the day of my visit. Her enchanting demeanour made me feel very welcome and relaxed and really excited at the same time.

Natalia really enjoyed being gently touched and passionately kissed all over her soft fragrant body. She has a talent for intimate French kissing and a gift for fantasy. If you love giving pleasure as much as receiving then I think you will probably love Natalia. I have been selfishly tempted not to share my encounter but it was genuinely thrilling and I wouldn't want you to miss out on such a brilliant and authentic experience.

There was no rush or pressure, just a warm spontaneous , sensationally sexy, softly spoken, sophisticated lady with an erudite and easy going personality who made me feel very comfortable in her company and who clearly enjoys her job.

I dont get to MK very often but I will definitely be visiting more frequently in the future!
