### The Premises:

A modern flat in a new block. It was between Erith & Slade Green stations. I accessed it from Erith and it was about a 10 to 12 minute walk. Entry was very discreet and the room was adequate for punting needs.

### The Lady:

A very friendly Thai girl, maybe early to mid 30s. She had a lovely slim body with natural B cup breasts and large tuning knob nipples.

### The Story:

I enjoyed my time very much. The property was modern and Jenny was really nice. Unfortunately, she didn't speak English, but we got by all the same. While I was undressing she showed me her phone which read Oral Without £20. I accepted the offer so the £60 cost became £80. It was worth paying because it was enjoyable with lots of licking of the shaft and head. I was disappointed she wouldn't let me suck her very prominent nipples. After a few minutes she got a condom out and we had sex to completion in missionary position. I don't think doggy was allowed. After coming she massaged my neck and shoulders while I sat on the side of the bed. This wasn't requested by me, so it was very nice of her. I felt great afterwards.

I think it is a location which has different girls so it's worth keeping it in mind.
