### The Premises:

She had a 4th floor flat with a lift very close to the main road with nice cafe's nearby if you show up early. I think she may have shared with another girl but did not see anyone. Smaller bedroom with no mirrors that I remember. What was surprising was she had very soft and new towels like a luxury hotel has.

### The Lady:

She has a truly amazing body and beautiful well done fake tits. I'd say she is far prettier than her profile pics, I'd put her age around mid 20's, she has a beautiful face and great personality as well. From minute one she was there to make the hour fun!

### The Story:

The punt started with an amazingly sensual shower in a decent size bath tub / shower combo. Lots of soaping and playful caressing. Her body is amazing and sliding around with her covered in soap was great. She gave me an amazing BJ in the shower while playing with my balls! Luckily, I had two shots with Irene the day before else I would have shot right there. Rubbing my cock against her soapy 20yo ass is a sight i hope to never forget.

In the room we did some light kissing and caressing that was wonderful, she then gave me a great blowjob till I shot in her mouth, for part of it we were in 69 while I looked at her beautiful pussy and ass.

The middle was an amazing thai style massage that was like a deep muscle sports massage with lots of elbow digging and pressure. It was expert level and very very well done.

Round two was a BJ followed by her riding me while I stared at her great tits. I found her so attractive i moved to missionary where I just hugged her while we slowly fucked. I do regret now not switching to doggy, but her pussy and face were so good in missionary.

Would 100% repeat - terrific punt all around.
