The Premises:

This is my second time reviewing Abigail, so an update from two years ago.

She shared same flat with Elsa, but has the far nicer and bigger bedroom. Overall nice place to punt, they do warn you to be very quiet with the doors and when you are outside the flat. I guess they get a lot of traffic these two hot girls.

No mirrors I remember in room

The Lady:

I find her quite attractive, and she looks very much like her OLINA photos (in particular the ones where her breasts are bare). She is fit and has large fake tits, a nice ass and a pretty face. Average height, and not too old.

The Story:

Started with a very fun shower that was quite sensual and with a lot of BJ in the shower. Lots of soapy rubbing of my cock against her ass and body. I had fucked 3 girls already that week so my ability to last in BJ was quite strong and I split a bottle of wine with a mate for lunch. BJ in shower was top notch!

Then to the bedroom, she started with a great BJ, where after some time I had her put on the condom and ride my cock till i shot. There was a pleasant but not as good as Irene/Elsa massage in the middle.

We moved back to BJ where i had her suck me while i was fingering her asshole with a condom on my finger. She was of course nervous at first with fingering but when she trusted i was slow and gentle she was cool with it. I presume lots of guys go nuts and jab away or something like that. I then fucked her ass in doggy for several minutes, then switched condoms for a long missionary of her pussy where it took me forever to cum.

Overall great repeat of a punt - Abigail is a solid Thai escort there to please.
