The Premises:

Long established parlour tucked away in parade of shops. Well appointed rooms, showers, clean towels and always a friendly welcome

The Lady:

Wow a beautiful Spanish lady pictures are good but the reality is something else. One of the most sexy and beautiful girls I have ever met. Beautiful olive skin, slim figure and the finest bum in the business

The Story:

I was just in the shower when Alice came in wearing a beautiful lingerie set with stockings and suspenders. She took off her shoes whilst I dried myself and then went over for a kiss and the amazing experience started from there. She is beautiful, engaging and great to spend time with. I ended up thinking about our time all day. She asked me afterwards if I was single which I said know but if I was I would marry you!

Highly recommended and fingers crosses she stays at MN as I will definitely be back
