Nice modern apartment in the hub at MK.

### The Story:

My first ever review!

I've met Ashely a few times now and am getting to know her. This time I went for 90 mins not to be rushed. I'm a bit older and a tad overweight, but she makes you feel at ease and relaxed.

I like to treat a lady gently and we start with lots of slow stroking and kissing, which is reciprocated. If you kiss her neck and work your way around her body, teasing her with your tongue, by the time you get to the pussy it will be swollen and wet - it tastes sweet and juicy. She's clean shaven and has a large clit which is begging to be licked and sucked. I spend a fair time going down on her and then it's my turn. I love watching her lick and suck my cock - she damn good at it too! On with the condom and she sits on top, I love watching her lips go down my shaft. She rides you like the pro she is! Then on to doggy and you get to watch that arse as you plunge into her.

After emptying my load there's time for a cuddle and to stroke and look at that fantastically fit body. She's chatty and has a wide range of topics. It really is a great GFE. I'd highly recommend a visit.
