Normal spot in Victoria, functional.

The Lady:

An absolute head turner. My perfect type, about 5ft6, curves in the right places. Boobs are delightful a big handful. Very cute pretty face, wears glasses. Gives a sexy secretary vibe.

The Story:

Cindy enters the room and takes my breath away as always. Perfect womanly body. Wearing a black body stocking. We get down to business with light kissing and caressing each others bodies. I place her on the bed and lick her pussy into spasms. Multiple orgasms later, I rubber up and pound away in missionary until we reach a sweaty climax.

I like to get the 1st pop out early to recharge for round 2 taking longer in the second fuckfest. I massage her boobs and body which gets me hard again instantly, this woman really is Viagra personified. I go down on her again really slowly caressing her clit. After writhing in ecstasy for about 10 mins I rubber up again. Her on top, doggy, then finish in missionary watching her giant perfect tits bounce around. I explode in her again around minute 50. Perfectly drained.

We kiss, hug and giggle. Shower, kiss her goodbye. Until next time.
