### The Premises:

New well furnished flat in Bletchley, parking nearby Warwick way.

### The Lady:

Gorgeous lady of indian origin, petite at 5'2. very attractive voluptuous body, looks like a disney princess with the sweetness of personality to match.

### The Story:

I was nervous in the beginning, but nerves were immediately turned to amazement as I lay eyes on her, shes absolutely beautiful, smooth soft skin, long hair, looks just like a disney princess with big innocent eyes, as she entered the room she immediately put me at ease with effortless energy, shes charismatic and very friendly, absolutely delightful presence.

She started with OWO and it was expertly performed along with ball sucking. I had to press pause due to being overstimulated. I then decided to go to work in a few positions as I familiarised myself with her petite body, I hammered away as much as my smoker's lungs would allow in missionary and doggy, her ass and pussy looked absolutely edible but I wasnt hungry that particular day, even though my mouth watered otherwise id have indulged. I tired myself out and flopped on my back Asia then finished me off with world class oral and I came so hard that I temporarily left my body, I exploded into her mouth, it was an expulsion that caused me to convulse.

Asia took me to the brink of paradise and set me down again, shes in great danger of becoming addictive.
