### The Premises:

A very clean building although it's a small place it's nice and discreet. The bedroom was nice and welcoming which made you feel relaxed and the bed was good.

### The Lady:

Carla is an amazing special beautiful lady. I waited and she came to introduce herself to me and gave me a kiss. The kind maid asked me what lady I want and I asked for Carla. She came along to the bedroom and sat by me to chat for a couple of minutes. After that she went on top of me to start the action; lots of chemistry and passionate kissing as I was touching her ass and caressing her back. She moved on the bed where she lied naked with her legs wide open showing her sexy pussy. I started to lick that pussy and did a bit of fingering and she was loving it with horny sounds. Her turn she caressed my cock with her tongue and then putting it all in her mouth(69). She put on the condom and she did reverse cowgirl and was fucking me hard. Then I did a hard doggy, switched over for missionary and she was loving it. After that she sucked cock again, I licked her pussy doggy position and fucked her again. Had a few minutes and told her to give me a hard wank to cum, which she did and loved it when all the cum squirted out onto her boobs. Time was up kissed and thanked her, gave her a tip and made my way out.

### The Story:

Lovely experience my third time visiting the place, hopefully to see Carla again for the second time.
