The Premises:

Usual place in Fenny Stratford, with the car park right outside. Had the biggest room upstairs.

The Lady:

Bianca is a curvy brunette. She has a large pair of boobs and an eye catching bum. She's quite tall as well. Didn't ask her nationality, but had a Mediterranean look to her.

The Story:

Was feeling sore and tired after playing football the evening before. I suppose I should have gone to a sports physio, but we all know Ego is much better fun.

I think this was Bianca's first week working at Ego. Provided a very relaxing massage and we had a good conversation about massage techniques. Then about ten minutes in, during a lull in the conversation, Bianca slipped her fingers down between my legs and started running her nails over my rapidly stiffening cock and balls. I looked up into one of the mirrors and me and Bianca locked eyes whilst she continued tickling and playing with me. It felt very erotic, but nothing compared to when she climbed up onto the massage table and started sliding her incredible body all over mine, all the while with one of her hands wrapped around my cock, squeezing and stroking me and moaning sexy sounds into my ear.

Turned over and the fun continued, culminating in Bianca sitting across my chest in reverse cowgirl and starting a very oily hand job. After a few minutes, Bianca mixed it up with her fat titties wrapped around my cock and then finally being rewarded with a thick creamy finish.

Jumped in the shower and then a long lingering kiss and hug to say goodbye. Very nice addition to the Ego stable.
