The Premises:

The new MKE premises

Really nice clean and discreet

The Lady:

About 5ft 7 is

Dark hair , juicy lips

She has a tattoo just below her navel

Roundish ass

The Story:

Lovely lady got to her and usually once you see the face it's either hit or miss

She was in the middle and quite cute actually

Lovely body and kissable lips

Got the paperwork out the way and asked what can't I do and she said just anal!

Proceeded to give the weapon head

Great pull suck technique to arouse the member!

Soon she was on her way working him real good! Not too much saliva producing that tight feel loved it

She whipped out the condom and I said no wait let me oblige. Kissed her all over from her feet thighs navel to her nick (she is vey ticklish)

Then worked my way down to the cherry

She was in euphoria and came so hard

Pussy was so sensitive I had to give her time to recoup whilst she applauded my skills

Then on with the sleeve and exchanged positions from cow girl to mish to doggy

She was loving every minute of it popped her on her side and spanked her as I stroked in and out

Lovely woman with a gripping pussy that wanted to pull the sleeve off

Eventually came in her mouth with exactly 1 minute to spare

She was mesmerised saying I think you have blown 800 calories lol
Really enthusiastic nice genuine person that loves sex!
Treat her well boys
Julia I'll be back
