The Premises:

Some estate close to the Bayswater/Queensway area.

A bit hard to find the right building. The lady apologised for that though. And it wasn't that bad after all.

Normal flat, clean, working shower, nice room, nice bed, nothing to report.

The Lady:

She is the lady of the pictures. But nicer.

I am a boobs person, and hers are absolutely majestic. Natural, big, soft; so fantastically grabbable, suckable.

But then her ass is to die for; definitely one to worship for hours.

Very good English, zero communication problems.

Yes, she is larger than in her pictures. But for me that was a pleasant surprise.

The Story:

Shower was offered with clean towel. Alex was lovely.

When we finally got to start, a lot of groping everywhere and she offered her tits to play with and they were fantastic.

Offered a tit wank which was a lovely experience but then she started involving her mouth skills and when one would think things could not get better ; they did.

I am not huge, but not all girls can deepthroat me. Alex 100% did ; and without any Hollywood gagging, she just sucks cock; deep; very deep. Can't remember the last time I felt a lady's nose on my belly.

Things escalated into sex in multiple positions. She has a soft, warm and wet pussy that can take a pounding; or a soft love-making or both...

And then back to oral where she did magic again and made me explode in her mouth (note: CIM was extra; but so worth it).

We were 40+ minutes; so I went to the shower and when I got out; she was apologetic and saying we still had ~20 minutes (probs because she only counted from the moment I walked in which was a few minutes after the initially agreed time because I couldn't find the right building); which is a lovely touch from her. So we stayed together a few more minutes; we didn't engage into any very

naughty business ; just cuddling in the bed having a chat. And what's not to like about that? having a nice chat with a fantastic woman.

I will definitely return. She is a fantastic woman.
