The Lady:

Nice looking blonde with lovely blue eyes and very soft skin, like a Baby's. Curvy figure as per website.

The Story:

I first saw Emily when I was going to see another girl, maybe Jess, and she opened the door and got me a drink and I was struck by her gorgeous blue eyes and made a note to choose her next, and so I did. We started with some kissing as I felt her smooth as silk skin and soon I got hard and just as I was going to suck on her tits she knelt down and started to suck me off, OWO. I soon forgot about the tit-sucking and enjoyed the view in the mirror of her baby blues looking at me as my cock went in and out of her wet mouth. She kept good eye contact and squeezed and sucked my balls hard like I like, I was only there for oral so after a nice session of 69 we finished up.

Emily is a chatty, friendly girl next door type but sexually can turn into more of a PSE if you want.
