### The Premises:

HOD downstairs flat.

### The Lady:

Tall blonde with long legs and blue eyes. Age mid-late 30s. Read some reviews that were claiming she had really put on weight so was glad to see she looked nice and slim as her latest X pics show.

### The Story:

Chelsea came into the room standing around 6 ft in heels, quite the view. After some lip kissing and stroking she took her lingerie off to reveal a pair of beautiful breasts with rather large pink nipples. I am more of a bum man so don't care too much for boobs but was obliged to suck on these beauties and have to say I had a great time, I could still feel her hard nipples piercing the inside cheek of my mouth on the way home, was fantastic as usually nothing of a woman goes inside me, ha!

Rest of the session was a good hard sucking OWO from her and then 69 as usual, then more titty sucking, not usual, before finishing up. She is pretty easy to talk to and took direction fairly well, altho did slightly pause when asked to do things, like spit on my cock or lick up and down the shaft, before doing them.
