The Story:

Gabriela was the first girl I saw at HOD, she has lots of good reviews so felt she was the one to break my HOD cherry and right I was. She sauntered smoothly in and started kissing me and purring in a very natural, seductive way, she was quite feline like, would make an awesome Catwoman, ha!

Pretty soon she sunk to her knees and gave me a lovely OWO blowjob, there's a large mirror so I got her to spread her legs and squat and rub her pussy as she sucked and licked on my rock hard dick. Then we moved onto the bed for some 69 before I felt I was going to cum so she knelt before me again and begged for me to spunk in her dirty mouth as I unleashed a thick hot torrent of cream into her mouth. It was a great way to start my HOD journey and she was a great person to start it with, was on a cloud as I went home that day.
