The Premises:

Her place is easy to reach from Victoria station. The shower facilities were adequate.

The Lady:

She has a delightful modest personality and her physique matches the description on the website. She is a nice quiet girl. Her breasts are just the right size for my hands, perhaps medium size. She has a nice bum, quite ample and well shaped, which was the reason I chose her.

The Story:

As I asked, she did a nice striptease for a few mins to start with. Her body is fine, and she starts with some OWO, with good technique licking balls and licking around them, and all along the shaft. She has a nice sensuous attitude and whatever I ask her to do she obliges.

I liked her OWO where she has her bum in the air, her body above mine and perpendicular to mine, and so I can gently slap her butt and stimulate her clit while she sucks me. She did quite a lot of deep throat on the oral, I never insisted on that, and it was a good surprise. There were some interesting sensations when she went deep on me ..she has lots of skill orally

I tried a few positions with sex and she seemed to enjoy being on top of me. Sideways was nice, and with her ample butt I was able to really pound away as hard as I liked. In fact, writing this, I get hard again just thinking about it. I tried lion position, with her lying on her front on the bed and me on top of her, on her back, and pounding away on her ample bum, I was almost going to explode. I successfully stopped myself just in time.

Generally, during sex she seemed to take the initiative and her hips were in motion quite a lot, giving me the feeling she was participating in the fucking.

I could have done the foreplay better and could have kissed her all over to build things up, to arouse her more. Anyway, that would have needed more time I think.

We finished with CIM, and since she seemed to like me, she agreed to swallow my cum. Which she did and I made quite a lot of noise.

The next guy was having a shower, so I could not use it, so I left.

All in all, she was beautiful and a kind and a sensuous girl. I will go back again I expect to her.
