### The Premises:

Usual first floor flat. Getting the booking was a little difficult as both very busy ladies but we got there in the end. Helpful understanding receptionist.

### The Lady:

Both ladies as shown in their photos. Honey I've met and described before. Effy exactly as pictured - tall, slim, tanned and toned. A little older than 25years written on her profile but not by much. Both in lingerie and heels which quickly came off. An absolutely electric duo.

### The Story:

DFK with Effy to start. Honey joins after a few minutes and announces she's "Always late but worth the wait". I have never seen this woman run on time.

What happened next was a blur of snogging, the girls eating each other out, shared cock sucking, the works.

Started with DFK. Then a double Blowjob (OWO) with the girls running their tongues up and down my cock together. Had Effy on licking my balls, Honey sucking, they switched back and forth. Plus lots of DFK between the two.

Fucked Honey on her back first while Effy lay next to her snogging those pretty lips. Then bent H over so she could bury her face in Effys pussy while I gave her a good seeing to. Lots of moaning til H made E cum and it was time to switch.

Moved to fucking a very sensitive post orgasm Effy while Honey lay next to her, snogging and caressing her slim body. Wanted to see E work her magic on H too, so H lay down for her to eat her pussy while I went from behind.

Could feel myself getting ready to pop so I finished with the girls on their knees for a double cum in mouth which they both expertly took. Thank you kisses, showered and off out on my way.

10/10. Was concerned “fully interactive” wouldn’t be fully interactive but it absolutely was. Was in there my full time despite delayed start. Will definitely return for them both. Only complaint was punt happened start of June and the flat was already very hot with no fan in the room.
