The Lady:

Adele is a gorgeous brunette/auburn haired girl, tall about 5ft 8, modelesque but with nice curves and a great, thick bum - so nice I took some pics of her showing it off to the max, at her request, and they even went on her X.

The Story:

Adele walked in and had brunette hair and spoke in a very mild almost English accent, now I was expecting a blonde and a thick Aussie accent so was not sure if she was the right girl, in fact I called her a dogfish, which she laughed at, I explained that's a catfish but you're happy to be surprised by, and I was as she was stunning.

We started with a sexy interactive striptease to Justin's "Sexyback" with my hands all over her and her thrusting her bum into my groin which got me rock hard, I turned her over and sucked on her tits as she danced, we were like a pair who had got carried away in the corner of a club, was great roleplay fun.

Then down to business, she got on all fours and sucked me off, OWO, which looked fantastic in the mirror as she spat on my cock and squeezed my balls. Then I moved her around so she was in doggy on the floor and I had a great view of the blowjob and her ass, and I spanked her ass a few times. As it was near Fathers Day I asked her to call me Daddy. She quickly replied, do you want to become a Daddy? and that made me laugh as it was a real possibility in that room! Great craic.

She offered CIM and I did want to spunk in her dirty face, but I had another girl I was seeing later so I declined and worshipped her juicy pink cunt and tasty tight asshole for the remainder before taking some pics of her that really did her sexy body justice.
