Gorgeous brunette with a sexy curvy body, known as the body and rightly so!

The Story:

I've seen Jess twice and the second time it was six months after the first time so she wasn't quite sure she could place me, but then remembered me when I asked for my chosen sex position for a blowjob, OWO, which is me lying on my back on the side of the bed with my feet on the walls and her kneeling down between my legs. That way I can maintain good eye contact and get a POV as our heads are at the same level. She then really did remember me as she said we talked about perfumes and fragrances which is a new hobby of mine, even I had forgotten that chat!

Anyways with Jess its a real GFE, she feels so nice and smooth, and you could just lie and fuck and talk and suck with her for hours, if you have the cash, as many many know as she is very popular.
