The Story:

Arrived bang on time and was guided through to the room by the maid. Quick shower and waited in anticipation for Adele. Had requested a special outfit which she wouldn't normally entertain but it was my lucky day. She came into the room and I could feel the legs shake as how could I handle such a hot vixen. Lingerie was a beautiful yellow and transparent which is a must for next time. Chatted about what I'd like to do which was not a problem and let just say services offer are all acceptable. I don't want to go into detail as want to save those secrets between Adele and I for next time. Not sure why I should be posting a 5 star review as would like to keep her for myself. After 45 mins of hot passion and exploring each others bodies to the extreme, lay next to each other for a gfe chat of fantasies and plans for the visit next time. Left Adele with a present, so she knows who this is. I will message her when booking next time to bring the gift along and share with a duo with a girlfriend!!!!????
