Visually very very hot, a body is fantastic, lovely long hair, enhanced boobs nice and soft.

The Story:

Now I love this place and have been a regular for years, today I thought I'd try one of the new girls and chose Stella, don't get me wrong she is hot, but, her service could not be more robotic. Conversation or any kind of chit chat was just impossible to initiate. Advertises "kissing" but this was clearly not happening, nice clean tasty pussy, a quick blowjob then into mish, other than the occasional smile she may as well have doing her nails. Once the bag was filled that was it! Time up! I paid for 1hr and got 35mins. I'm giving a neutral honest review and I hope my next encounter at MN will be better.
