The Lady:

She is a Brazilian bombshell, her pics are no lie, she has curves and a booty for days!

The Story:

Rebecca is indeed a sight to behold, she's tall and very curvy with a nice phat ass that I grabbed hold of as soon as I could. She had a nice face, juicy lips, which only offered light kissing and after feeling her up for a bit, she probably has nice boobs but my brain was all about that base so cant recall, she then knelt down to give me blowjob, OWO.

It felt good and she sucked on the head nice and hard like I like, and gazing down at this stunning Latina with long dark hair and juicy lips sucking away on my bulging prick she did remind me a bit of J Lo, to be honest. It was probably this thought that was making me pre-cum and Rebecca complained that my spunk was salting up her mouth, she doesnt do CIM, so I told her to get on all fours so I could worship that prime Rio Beach ass with my lips, tongue and then my dick.

As been said before if you want a curvy, juicy Brazilian babe she is your girl!
