The Premises:

Terraced house near Victoria, multiple floors, today was in the basement. Was let in by another working girl (might have been Cindy) with glasses and big tits. Casual attitude, took an instant dislike to her so won't be booking her anytime soon. Had to wait in the shower room for 5/10 mins.

The Lady:

Fit girl, tall lovely and slender, piercing eyes. Not an ounce of fat on her. Definitely her in the photos. Advertised as 25, I reckon possibly a bit older around 31 but not obviously so.

The Story:

Experience was ok, she's not a complete sex hound like Honey is. Not much chemistry but she's pleasant enough and it was really good to shag someone so good looking. This is the 3rd girl I've seen here since I've discovered the place and I still waiting to see someone who really knows how to suck cock. Not terrible though, nice to see a really fit bird like this with your cock in her mouth.

Got on top for a bit then

finished off pounding her in doggy, her pussy was pretty tight and her body was so good. Shot my load inside her (covered of course). Overall pretty good although the annoying thing was as I needed a bit more time with the other girls on the previous two visits I went for the 45 minutes and ended up busting within 20 minutes so ended up with a massage to fill up the time.
