The Premises:

Terraced house near Victoria Station. Functional rooms I suppose, not the greatest but clean enough.

The Lady:

Good looking blonde girl, really bubbly. Advertised as 29 I think, can't be a lot older than that. If she is she looks really good for it. A few tattoos which I really like and don't hate a problem with.

The Story:

Honey is lovely, really friendly and easy to chat to. I didn't get the full on snogging that other people have reported but that's OK. Was nice to kiss a good looking girl like this and as I'm getting on a bit in years now its great to grab hold of someone around 20 years younger. She gave me some nice cock sucking for a bit before we fucked in a few positions on the bed. I ran out of energy a bit and ended up jerking off onto her tits as she enthusiastically rubbed her nipples into the rest of my cum that was on my belly. Honey is a great girl and seems to really enjoy what she does. Would definitely see her again, absolute bargain.
