The Premises:

Place relatively easy find. I parked locally and I walked there thought this was a bit more discreet. Premises were clean rooms were clean welcomed at the door by host. Room was very pleasant with ensuite shower facilities.

The Lady:

Wow, what can I say? Absolutely beautiful to look at fantastic body felt like I was in a dream. Photos on the website were very accurate including age. Anya had a lovely smile and great personality to match it and an unbelievable body.

She made me feel at ease as this was my first time I've ever been to an escort agency

The Story:

This was my first time, Anya started off with a massage to relax me which I've got to be honest was lovely and looking at her didn't take long for me to get excited. After the massage we moved onto a blow job which was out of this world and then after that we tried several positions which was an absolute delight.
