The Story:

As normal with olina girls i was met at the door and shw was hiding behind it, dressed in a very sexy underwear that hardley coered her nicley trimmed pussy and a see through bra top that contained her pert boobs.

Went to the room paid up and got undressd and went to have a assisted shower. She got me all soapy and wet and brought the pecker to attention , made sure it was nice and clean for the bedroom action, she pulled the skin back and went up and doen my shaft i was clean hard and ready .

Into the bedroom she dried me off then herself ushered me to the bed and got to work , first she gave me a massage with her boobs. and invited me to suck them , then she worked her way down to my very hard cock and put her lips around it and went to work . she was amazing at it her tounge was magical had me squirmig with joy, then she got to the balls and sucked them she was a expert at this, i then pulled her over my mouth i wanted to taste that pussy ,it was lovley i got my tounge to work and had it right in there licking her walls , her pussy was tasty nibbled on her clit and she started moaning and giving me a perect blow job in my favourite postion 69 , after a while she said you want to fuck of course i said yes ,she got a condom rolled it on me and than sat on me cowgirl style and was riding me like a champion . wow, i was enjoying watching my cock go in and out of her tight amd now wet pussy . it was glistening with juices , a quick swap to missinory postion and i spread her legs wide so i could enjoy every moment and the sight of my old chap sliding in and out of her slighly hairy pussy and see her face and her rolling eyes i was smashing her , maybe a bit too hard , but she took it all in her stride, .Eventually i pumped my first load deep inde and collapsed on top of her and gave a a long french kiss which she did not object too .

after she went to clean up she came back and started to give me a massage a deep tissue massage and she got rid of all the knots and soothed those tight muscles i had, she was good at

this too, and i told her so .

After the massage was over it was time for round 2 , she got me back to full hardness with her lovely mouth and lips and sat on me again , after a bit of this i got her into the doggy position and entered her from behind what a sight she is quiet small and i was so enjoying the sight of my big hands spreading her cheeks apart and looking at my cock going in and out it was an incredible site, i was giving her long and slow strokes pulling out and going back in i made that pussy fart ..i was fucking her well eventually she laid down flat and i was still inside her from behind and still fucking until i exploded my second load , i stayed inside her throbbing for a few minutes it was the best place to be, i pulled out and she cleaned me up offered me another shower which i accepted . We showered together and i had my last feel of her very sexy body .got dressed and said goodbye .what a truly enjoyable 1 hour that was ! These thai girls are amazing and well done Olina for finding the best ones out there .
