The Story:

This was a very poor experience. I've been to HOD numerous times and whilst some visits have been better than others I've never had such poor experience here.

I've seen Jennie before and had a good time so was happy to book her again.

This time thought she was cold and disinterested from the moment she walked into the room.

Having got the finances out of the way she started time wasting. She wouldn't kiss repeatedly turning away when I tried. I asked three times for a BJ and eventually when she got the hint she went for a cover. I asked for OWO and she said no as she'd been to the dentist that day. Once rubbered up she proceeded to a BJ that was basically licking the tip and mostly hands. Realizing this was going to be a waste of time I asked her to get into doggy. She then wasted a good 2 to 3 mins getting lubbed up. This killed the mood further. When she was finally ready for the act she made it almost impossible to get in and build any rhythm. I tried a couple of positions and then said to her sorry buy you're not really doing anything for me today. Her reply was well that's not my problem. I decided at this point that this was a wasted trip and got ready and left. Having paid for the hour I was in and out in under 20 mins and Jennie couldn't have cared less.

She may have been having a bad day but this was a crap experience. Having seen Jennie on a good day and a bad one I'd say think twice before booking her.
