The Premises:

Clean flat in the MK "Hub". Easy to get to and park. Only issue being that the lifts under maintenance and it meant a trek up to the 7th floor! I was knackered before my time with Eden started

The Lady:

As the photos on the website. She's got a great, slim body and her eyes.... oh my god. They could melt ice.

I challenge anyone not to cum right there and then when she's got her eyes fixed on you. Dressed in virtually transparent lingerie, stockings, suspenders and heels

Perfect English too.

You can tell she loves her job and she's an absolutely pro.

The Story:

Easily one of the best experiences I've had with a single escort. She's so attentive and kisses with passion. She put me at ease to the point where it didn't feel like I was paying for her. She kisses passionately and softly with tongues. Teases and makes the right noises, and is pretty uninhibited.

Her blowjobs are top draw. Light, wet, a little sloppy, with plenty of tongue attention to the balls. I totally melted when she looked deep into my eyes, sucking me off with her fingers teasing my balls. At that point, I wished I'd booked an extra hour.

Moved to 69 where we spent an age mutually pleasuring each other. She's delicious and very clean.

And then onto sex. Normally I prefer to cum during sex but I felt like doing something different and finishing in her mouth. Her on top first, kissing as we fucked and again the eye contact. Then onto missionary which was equally as passionate, and then onto doggy. The view was so good, I

requested we move position on the bed and fuck in front of the full length mirror. Oh my... the view of her on all fours being pounded while she's looking at you in the mirror is an image firmly burnt into my eyeballs. Again... I regretted again not paying for an extra hour.

Then CIM to finish on the end of the bed. Another amazing BJ with fingers stroking my balls and I came like a wild banshee.

This woman.... she's good!

I think she's my new addiction. Shame she doesn't do 2-girl as her and another girl would be flipping mind-blowing.

Eden - thank you, thank you, thank you!
