The Premises:

Flat in the Milton Keynes hub, but a different flat in a different building to where I'd been before. No problems. I learnt long ago not to park in the S@insburys car park when going to 2+ hour bookings in this area, S@insburys nick you after 3 hours and I'm quite capable of faffing around for at least half an hour at the start and end.

The Lady:

Both ladies are great, no problems. The Annabella's website photos have been skilfully taken, but thinking in terms of looks alone I would defo go there again.

The Story:

The fantasy was slightly complex but both ladies got to grips with it really well, and I was in a happy place for a couple of hours. Thank you both!
