The Story:

Shocking Behaviour ! This Escort is an utter waster and has no respect for other people's time. I sent a Whatsapp message in the morning asking whether she would be available around mid-afternoon. Got a fairly quick response saying that's fine.

I explained that I will be travelling quite a distance for the meet and that I would message her again when I got to the area. I did exactly that and from then on, deathly silence. No response to Whatsapp messages or phone calls. So 6 Hours in total wasted :-(The £80 figure mentioned in the heading was not paid, this is her advertised 30 Minute rate.

Conclusion: Unless you have all the time in the World to waste and don't mind being taken for a complete mug, then I wouldn't recommend picking up the phone to her. You have been warned !

PS - As a Heads-Up, this Escort also advertises on the Erobella and Kommons sites under the same Username but a different phone number.
