The Premises:

A modern 1st floor flat about 0.3 miles from Heron Quays station. It wasn't one of the big tower blocks.

The Lady:

It definitely was the girl profiled, but the photos were probably taken a few years ago. She's put on weight since then.

The Story:

Despite the difference in body size, I did enjoy my session. Mostly because Julia was very friendly and the room was clean and comfortable. I particularly enjoyed fondling and sucking her ample breasts. She gave me wonderful uncovered oral. I probably could have come from that if she'd gone a bit faster. I didn't want intercourse so I just carried on enjoying this and to end I gave her a facial. It wasn't a full on one just over her chin.
