### The Premises:

Classic Touch is a strange place, rather skanky downstairs when you walk in but a bit nicer upstairs. The place could do with a good clean though! The reception is like a living room in someone's house, in fact the whole place is like a house rather than most of the other Sheffield parlours. Lack of showers in the room makes the place feel like hygiene is not important.

### The Lady:

Megan is a nice girl, friendly and chatty in a slightly aloof kind of way. Facially fairly average but with a nice body, especially nice boobs and nipples with a lovely waxed fanny although it seemed a bit off limits compared to other girls. Not your usual working girl, she seemed well educated and could hold a good conversation

The description on the website is not accurate, she is described as 30 and size 8, but is more like a size 10/12 and is probably closer to 40 than 30.

### The Story:

My first review on here (new member) and had seen lots of good reviews on another site that needs payment to post reviews! Perhaps I caught her on a bad day but I was a bit underwhelmed by a limited service compared to the others at Classic Touch. The meet took place a few weeks ago and then she disappeared from the rota, but as she is back on I thought it worth sharing.

Megan started with a lot of chat - too long really and this seemed a bit like a delaying strategy to avoid providing services, a theme which seemed to recur in this punt. When she finally got going after perhaps 10 minutes of chat I received a nice owo blowjob, good technique and enjoyable. I asked for 69 which was offered but no fingers allowed, the reaction wasn't great when I tried - a great shame as I like this and other girls at Classic Touch offer this service and I thought the ethos of Classic was an all inclusive service. Bit of a deal breaker for me and the main gripe. Oh well, lesson learned as other reviews had said this but another said she offered it.

Anyway, nice 69 for a good while and this brought about a satisfactory conclusion to the session but before I had the chance to fuck her. As I came she withdrew quickly - no CIM or facial offered, again something I had seen in other reviews of her.

So overall, a lengthy chat, decent BJ, limited 69 and that was that. May be she took a dislike to me but I'm clean and well presented. No kissing, fingering and no full sex this time although I'm sure that would have happened if I'd lasted longer. Not been to Classic for a while but I have previously seen Sophie, Abbie, Kerry and Chelsea who all offer a better service although some of these have now left.
