### The Story:

I visited Valeria after work on Friday evening. I had some cash to spare, and her profile on Babylon Girls stood out to me.

Her apartment was inside a large flat complex, behind two intercoms, so it was a little tricky to get in. I think I arrived about five minutes late. When I knocked, Valeria opened the door. She's a tall, pretty girl from Ukraine, and I noticed she had clear braces, which gave her a slight lisp when she spoke.

We sat on the sofa and exchanged pleasantries. She was a little bit awkward at first, but her English was pretty good. She looked like her photos, although the pictures were clearly airbrushed—especially her face—but that was expected. Her figure, however, was perfect: long and lean.

In the bedroom, she offered plenty of French kiss. Then owo. We moved into cowgirl, missionary, doggy, downward etc.. I was feeling energetic that day and she kept up superbly. After 50 minutes I finished in the bag.
