The Premises:

She was based in a nice flat which i think she shares with someone. Decent sized room and bed which can get the jib done. Ok shower although the door felt like it might fall off.

The Lady:

She looked great. Pictures were accurate so if you like the pictures you will like her.

The Story:

She was absolutely gorgeous just like in the pictures minus the obvious photoshop touch ups. Speaks good english and made me feel welcome with even a nice drink. Her services were just as good and the best part for me was that dfk was on tap. Her owo skills were also amazing.
