The Premises:

Main roads were blocked to the local car park, but easy enough to get to still. The building is relatively discreet and the room are super clean.

The Lady:

Elle is a stunning lady with an amazing body and great personality. She'll put you at ease right away and is up for a lovely chat whilst working.

Her boobs and ass look and feel fantastic, definitely a full handful.

She has some nice tattoos across her arms, torso and ass.

The Story:

I was shown up to the room and had a quick shower to freshen up. As I was drying off Elle came in and I was instantly taken by how gorgeous she looks. Had a quick chat and then laid down on my front.

Elle got to work with the best massage I've ever had, there's definitely magic in those fingers. She worked the whole body from head to toe perfectly with some light teases. She then climbed on top and gave a wonderful b2b massage with some cheeky cc swipes.

Flipped over and got a great view for the front massage with a great finish.

Ended a little early so she gave some extra massage until nearly time before showering off again and dressing.

I can't recommend enough and will definitely have to come back!
