The Lady:

Mayree is a very sexy late 20s Thai girl, with a petite frame, pretty face and smile, quite big fake, but well done boobs, very sexy feet, smooth legs and a very very nice arse. She has that brown caramel smooth skin only Thai girls have. She seems around late 20s and is about 5ft tall without heels or shoes. Great calming personality and shes funny with a cheeky sense of humour. She obviously speaks with quite a broad Thai accent, but youre able to communicate fine. Great attitude to escorting, pleasing her customers and very good communication over text.

The Story:

Text Mayree having met her last Oct to ask for a second visit. Got a reply quite quickly and we agreed on a date and time at her flat which I already had visited.

Arrived on time and in i went. Mayree was wearing the sex schoolgirl outfit I had requested via text and i was instantly erect!

Into the boudoir, where we had a really nice snog and I groped Mayrees big tits as she got to grips with my hard cock im my shorts. Mayree was then on her knees sucking me off. Paperwork then sorted and a chat and into the shared shower where Mayree cleaned my arse, even fingering my arse in the shower which I love and then gave me another blowjob in the shower. Dried off into the bedroom and i got mayree to put back on the schoolgirl outfit and a very tiny g string with pearls that went across her pussy lips and clit. Lots more snogging and sucking each other's tongues and sucking her boobs while I groped her amazing bum my cock now really beginning to leak pre cum all over the place. Before I could progress to licking Mayree more she had sat me down on the edge of her sofa and I put my legs in the air and put my cock and ball ring on, and Mayree got on her knees on the carpet and started giving me a really good, wet sloppy hard blowjob, deep throating my dick and me holding her head down onto me, she then went under and sucked my balls and began licking my arse which turned into tongue fucking my arse while wanking me off, she sure knows how to play my rusty trombone! She eventually sucked a finger and stuck it right up my arse to the knuckle and massaged my prostate while sucking my cock and sucking my balls, as you can imagine, this was heaven and she looked beautiful doing it as she is so pretty and willing!

I wanted some pussy now and got Mayree on the bed and lifted her school skirt up to reveal her

amazing brown Thai arse cheeks. I spent some time kissing her arse before finally tugging her sexy g string down her legs and sinking my face into Mayree sexy looking arsehole. My god I love eating this girls arse, it tastes delicious, and 15 mins was spend with my big wet tongue around and inside her arse as far as I could get it. Mayree seemed to really enjoy this. Flipped her over and now time to lick some pussy, my second favourite pursuit and I was licking her wet slit and tonguing her tiny clit while she writhed around and told me I have an amazing tongue. After about 5 mins of real concentration from me I worked her up alot and she came on my tongue, bucking her hips and arching her back i slowed the pace of my licking down and Mayree asked me if we could 69 as she wanted to taste my dick again and I duly obliged and she climbed on top and was soon deep throating my dick, licking my helmet and wanking me off as I buried my face and tongue into her sexy tasting pussy again and reached my tongue up to lick her arse again too. Mayree also got a finger back in my arse again while she sucked me off. What a view it was to have her pussy and arse right in my face here without being able to move!

She soon sat up straight at my request and sat on my face and let my tongue work her clitoris once again while not being able to breathe and brought her off to her second climax.

Mayree now told me she REALLY wanted to get fucked by me and my cock was screaming out to be inside this girls tight little pussy again. I put a condom on and Mayree spread her legs on the bed and I entered her slowly at first as she clung onto me around my neck and we snogged as I pumped away at her gorgeous little wet pussy. I pulled out a few times to stop myself from cumming and slapped my big hard dick on her clit and rubbed it around between her lips and this drove Mayree wild with desire. We did legs on shoulders, as I pumped away and got more vocal as did Mayree. Then into Doggiestyle where I really did go to town and nailed Mayree very hard indeed her cute arse cheeks bouncing off my big hard dick as she met my every frantic thrust. We fucked like this for about 7 or 8 minutes flat with me beginning to really get a sweat on! It was fantastic. Mayree told me she'd like to taste my cum and I very much wanted her to aswell, so she put her head over the edge of the bed and I removed the condom and fucked her mouth kneeling on the floor for a while and stopping to give her a breath once in a while and pushing my cock right down her throat to my balls again the next. She could take nearly all of it and I loved it.

Back on the bed on all fours from her and me kneeling and she sucked me really nice and hard with good pressure and speed now and with a 10 second warning I told Mayree i was finally going to cum and flooded her mouth in 7 days saved up warm cum. She carried on sucking me long after id cum, really sucking every last drop out of my balls. She then showed me my cum in her mouth before going to the bathroom to dispose of it. I wiped up and Mayree returned for a lovely chat, about life and Thailand etc. She offered me a shower but I declined as time was short and we had a kiss and a cuddle and i was dressed and out the door with the promise to return a third time and by god i will. She is a really funny, fun, lovely, nice, pleasant, respectful girl who is willing to do almost anything to sexually satisfy me.

She comes highly recommended, be respeful and make her cum and she is very lively in bed. An amazing second meet.
