The Premises:

As covered in my last report on Victoria House. Entrance is very discreet. Really friendly atmosphere, ladies at the front desk very welcoming. Just a nice relaxed place to be, doesn't feel like a money grabbing kind of set up. On top of that, was able to book the VIP room, which is really nice, a bit more private & well worth the tenner extra.

The Lady:

Where do I start...again, I'm covering old ground & excuse me if I'm repeating myself, but Layla is gorgeous. Pretty face, sexy as hell! Nuff said...

The Story:

Eventually, after way too long, made my way back to VH, after a visit last year & just had to see the lovely Layla again. Am sure all the other ladies there are just as fit & fun, but I couldn't resist seeing Layla again. So, as always, no nitty gritty. For me, this is the place to be & although I'm fully aware there's lots of other sweets in lots of other shops around the country, I find Layla ticks all my boxes. She is super hot but also lovely, down to earth & chatty with it. If any guys are reading this, I say, through gritted teeth, very begrudgingly, go see her...I most certainly will & hopefully more frequently. If Layla is reading this - yes, more chocolates on the way too, soon I hope!
