### The Premises:

The normal location near Victoria, basement flat, well documented in many other reviews. Easy to find, very tidy and well presented as always. A great location.

### The Lady:

Young slim British white girl, a few good quality tattoos. Small, pert boobs, and fully shaven below. A pretty face and sexy smile. The profile photo's on both the HoD and MKE websites are a very good likeness.

### The Story:

Abbey met me at the door with a lovely smile and showed me to the room while offering me a drink of water, which is something that I always appreciate. After delivering the drink, she left for a couple of minutes to give me chance to get undressed before returning, that is quite common at HOD, and I actually really appreciate it, as getting undressed while a girl waits can be a little awkward. After some very light kissing, she took off what little clothing she had on and we lay on the bed. I felt really comfortable in her presence, she was very laid back and keen to please. She offered me a blow job (OWO) and I explained that sometimes I did not get hard very quickly, and it was in no way a reflection on her. However, she had no problem at all getting me hard on this occasion, I cannot fault her blow job technique in any way. Before too long I had to ask her to stop, fearing she was about to end up with a mouth full of cum! We chatted and cuddled, which is something I really enjoy and she said she liked to do that too, which was obviously true. I sucked on her lovely pert nipples and gently stroked her pussy lips, some more light kissing, another blow job, some reverse oral (which was extremely enjoyable) and 30 minutes of the 45 had gone. On with the condom, a lovey slow fuck and it was not long before I emptied my balls whilst deep inside her. A quick clean up and chat and it was time to go. What an enjoyable session. I would have liked a little more passionate kissing maybe, but it was our first meeting, so next time possibly. Either way, I have every intention of seeing her again soon, and will be keenly waiting for the next time she works in London at the weekend. What a cracking girl :)
