The Story:

Arrived and freshened up, lady came in to room, quick hug, and asked if I wanted a massage I said yes and was asked to lie on the bed. She was pleasant enough and chatty in just her underwear, after a brief rub on the back and legs I was asked to turn over. She slipped the condom on, with a brief bit of oral, then switched to 69, with her panties pulled to one side, she then asked if I wanted her from behind, so I said yes, and we had a bit of doggie style, then she got me to lie on ghe bed, whipped the condom off and finished me off with a hand job. Got dressed and left, looked at my watch I had only been there just over 10 minutes
