The Premises:

Purpose-built flat in a commercial street close to Marylebone High Street. Nearest station is Baker Street, a out a 10 minute walk. The flat is nice, with two bedrooms, a lounge/kitchen, and a bathroom. A clean comfortable flat.

The Lady:

Vivian is a pretty and slim young woman in her 30s, with a nice figure, and shorter (5'2"ish) than expected. She greeted me with great natural warmth and a cute smile.

The Story:

I knew from the outset, the moment I held her and we kissed, that this was going to be good. We continued to have lots of kissing, mutual oral, rimming on me, and 69. Sex was great, as Vivian mounted me and we took it long and slow until completion. The session was then finished with a lovely professional level massage, running slightly over the hour.

Will I return? - most definitely!
