The Premises:

It was an apartment in the Hub.

The Lady:

She did not look anything like her photos. It felt like the photos were 4-5 years older or more. This is common with this agency. I'm surprised to see so many positive reviews of this agency when they use old pictures.

The Story:

The entrance is a bit tricky to find. Greeted by a very skinny, tattooed girl. I thought she'd go and call actual Pamela but she did not. She was the girl. There's no way you'd believe that it's the same girl that's advertised. Paid the donation. Started with some OW. Moved to mish, some cowgirl. But I lost my erection. I told her that nothing will help me cum. Dressed up and left.

I'm astounded to see so many positive reviews for the agency when they use old and heavily filtered pictures. Not worth it.
