The Premises:

The apartment that she leaves in is pure luxury. Everything was extremely clean and had a real quality hotel feel.

This is the type of place you would expect this extremely attractive lady to live in.

Easy to find and with a night porter that was not any issue.

Very safe surroundings.

The Lady:

Adriana looks amazing. She is slim and all natural.

She is also a very stylish lady which adds to her sexy appeal.

As normal the photos do not do her justice.

The Story:

This was an amazing experience firstly. I had to book Adriana in advance as she is always busy since I have been trying to book her.

When I got the text from Babylon it was like my lucky day.

I initially booked 1 hour but that soon got extended.

Meeting Adriana was a great experience. She is friendly and very bubbly.

We enjoyed romantic drinks together and everything was very relaxed. I was actually just enjoying spending time and catching laughs with her on the sofa. We both love music so we also danced for a while.

Once things got a bit steamier we entered the bedroom which has a super big bed. Adriana is an intense lover and were like a couple that have known each other for years.

She kissed very very passionately and I loved the fact that she loves kissing as much as I do.

I would say, I kissed every part of her and the best part was just amazing....in fact spent a lot of time giving her oral.

She also gave a great OWO with amazing eye contact. Just remembering her eyes watching me makes want to book her again and again.

Definitely, highly recommended in my eyes and want to see her again before she is off on her world tour.

Thanks for the recommendation Babylon and as they have hinted she needs to be pre booked....i know why now.
