The Premises:

The neighbourhood in Canary Wharf is exceptionally clean and well-kept. I was let in promptly, so there was minimal waiting outside. To enter, simply input her flat number and tap the doorbell icon. After that, walk down the hallway and take the elevator on the left. Once you reach her flat, ring the doorbell outside. She'll greet you quickly and guide you straight to her room, which is spotless—just like the bathroom and shower.

The Lady:

She's a very attractive woman who looks exactly like her profile photos. Physically fit, with a stylish tattoo on her arm that adds to her charm. Her English is basic, but she uses her phone to translate, so communication flows smoothly without any language barriers.

The Story:

It was a fantastic visit, and I'll definitely be booking again. I had a genuinely enjoyable time. After arriving, I took a quick shower and we got started soon after. She was open-minded and accommodating throughout. After the first round, we had a relaxed conversation before going in for a second.
