The Premises:

Nice 1 bedroom flat just near Earls Court station.

The apartment is small but a great place to party with Laume.

The road also has some off peak parking which is useful.

The Lady:

I have met Laume a few times since I discovered her last year.

She looks fantastic and in this case the pictures just do not do her justice. She has a very sexy look to her especially in her lingerie.

Laume is a classy lady and you tell this from her style.

The Story:

Seen Laume a few times now. Pretty much every time she's in the UK I try to catch her. She's gorgeous, no doubt, but honestly it's her personality that does it. Caring, fun, makes you laugh. Just easy to be around.

Her flat's top floor. No lift. Bit of a mission up the stairs which is now part of the routine meeting her. She opened the door with that smile, gave me a kiss, same as always. Straight away felt chilled, like I'd been there a hundred times.

She's got this way, you know. Makes you feel comfortable, like you've known her ages. We chatted, messed about a bit, had a laugh. Then, like it always does, things just moved on. Talking one minute and then passionately kissing the next.

Looks aside, she's great company. Playful, caring, puts you at ease. I walk out every time thinking the same thing... glad I went, can't wait till the next time.

I'd recommend her. No question.
