The Lady:

I was very happy when Stella walked into the room. She is a real knock out, the type it's hard not to stare at! She has an air of exoticness and has a very sultry energy. Great figure and a nice juicy ass. She is softly spoken and her English is very good.

The Story:

We started with a few minutes of FK, very passionate and stimulating. I then went down on her delicious pussy for several minutes, which Stella very much enjoyed. On to missionary so I could see her beautiful face, I didn't last long unfortunately. After we chatted about my love of Brazil, particularly it's ladies. I found her very open and easy to talk to, she appears at ease with herself. Round 2 was doggy finished with a sensual hand job.

I think once the word gets out about Stella she will be much in demand! My dream would be to see her and Vanessa in a threesome, but as they don't currently work the same days im not sure when that will happen. I can't recommend this lady enough!
