The Premises:

A modern 5th floor flat in a private block, a couple of minutes walk from Dartford Station.

The Lady:

Exactly as pictured, a friendly young Brazilian girl, maybe a dress size 10 with lovely ample and firm, natural breasts. She didn't speak much English so things didn't go exactly as planned.

The Story:

It was enjoyable, but oh how I wish I'd punted with her when I was a bit younger. I started by having a shower and when I returned to the room, Natalia gave me OWO for which I paid an extra £20. She took it deep and it was enjoyable, but I could never come from that alone. She then let me caress her lovely breasts and suck on her nipples. She climbed aboard for sex in cowgirl position. It was OK, but it's never been a favourite position of mine. I tried asking for a handjob to finish, but she then climbed aboard in the reverse cowgirl position. She bounced up and down for a short time and to my surprise I actually came.

I think there are other Brazilian girls working in those flats.
