The Premises:

The place is less than a minute from the station. It's super convenient. Spacious and tidy

The Lady:

Agora is gorgeous. She's a petite girl. She's thicc, and it's incredible attractive. Think of a Monroe type figure. She's quite young and she looks youthful too. She has braces at the moment and that adds to the aesthetic. Maybe not as pretty as her pictures, but she's wearing a lot of make up in those pictures, and her body more than makes up for you.

She has enhanced breasts and they're shaped a little oddly. Shame she felt the need to do that to herself.

The Story:

I came in and let her know what I wanted from the service. I had a shower and when I came out, she was on the bed in her lingerie waiting for me. We kissed a little, but it wasn't french kissing. I filmed the encounter, and I have some great material from it. She gave me OWO. She doesn't seem experienced at this part - she doesn't really go deep. But her youthful face means it's still a turn on.

I did reverse oral. Played with her feet. Rimming on her. Then sex in different positions. Overall, it was a good time and at her price point, I'd recommend the visit.
