The Lady:

Pretty EE girl, hot figure, blondish, average height, probably mid to late 20's. Fully shaven. Pictures were a reasonable likeness with blurred out face, no surprises.

The Story:

Natalia met me at the door and escorted me to the room where she remained while I got undressed, which was a little unusual and not really ideal as it felt a little awkward.

Once we were sorted out, we started kissing, fairly light, not French, but still enjoyable. She removed her clothes to reveal a tight sexy body with pert boobs and a fully shaven pussy. My cock rose to attention and she smiled and took it into her mouth. Plenty of eye contact as she licked and kissed the shaft. I had to ask her to stop as I was liable to cum. We kissed and cuddled before she resumed the blow job. She is almost too good at that so I asked to go down on her to give him a break, I can normally hold off, but something about her technique was just too much.

Natalia has a fleshy clit and clearly enjoyed having it sucked, I could taste how much she was getting turned on which is not that common with escorts. Time was flying by, so I was forced to come up so we could fuck. She was on top, we only fucked for around a minute as I just could not hold it in any longer. All in all a good experience, boy can that girl give oral, it was actually too good for someone with limited staying power. It is a shame she charges extra for CIM as I would like to try that with her, but I have strong views on paying for extras so I will give that a miss.
