The Premises:

She had a decent flat which she shared with a few people. I heard them shouting when i entered but things calmed down. Tiny but usable shower.

The Lady:

Looks exactly like pictures so she is beautiful.

The Story:

Started off weird as the main door to the flat wouldn't open and it took me a few minutes to head inside. Once in her place she looked amazing just what i expected. Took a quick shower then started and things went a bit downhill. She gave very very light fk even though dfk was advertised and she was pretty mechanical throughout no passion. Went through a few positions and i got bored and left. I gave a neutral because the girl was very pretty.
